

ASSISTANT DEPARTMENT DIRECTOR TOTAL REWARDS City of Durham, NC

The City of Durham is seeking a strategic, detail-oriented human resources leader to serve as its next Assistant Department Director with responsibility for the Total Rewards Division.

ABOUT DURHAM, NORTH CAROLINA

Durham — the “Bull City” — is one of the fastest-growing cities in the country, and the growth shows no signs of slowing. Once defined by tobacco and textiles, Durham has reinvented itself as a center for higher education, biotechnology, and life sciences, anchored by Duke University, North Carolina Central University, Durham Technical Community College, and a research economy built on Research Triangle Park.

Downtown Durham has been transformed over the past two decades, with historic tobacco warehouses converted into offices, restaurants, and residences at the American Tobacco Campus, alongside a nationally recognized independent food scene, the Durham Performing Arts Center, and the Durham Bulls, the city’s beloved Triple-A baseball team.

Durham consistently ranks among the most diverse and highly educated cities in the Southeast, and residents enjoy a strong quality of life — a walkable downtown, an extensive greenway and trail network, a temperate four-season climate, and a cost of living that remains more attainable than many peer metro areas, all within a short drive of the mountains and the coast. For a builder-minded HR leader, Durham offers a rare combination: a city investing seriously in its workforce and public institutions and a community energetic enough to make that work feel personal.
